

## **DEPARTMENT OF ETC ENGINEERING**

### **INSTITUTIONAL VISION & MISSION**

#### **Vision**

To emerge as a "Centre for excellence" offering Technical Education of very high standards to students, develop the total personality of the individual, and instill high levels of discipline and strive to set global standards, making our students technologically superior and ethically strong.

#### **Mission**

We dedicate commit ourselves to achieve, sustain and foster unmatched excellence in Technical Education. To this end, we will pursue continuous development of infrastructure and enhance state-of-the art equipment to provide our students a technologically up-to-date and intellectually inspiring environment of learning, research, creativity, innovation and professional activity and inculcate in them ethical and moral values.

### **DEPARTMENTAL VISION & MISSION**

#### **Vision**

To impart excellent education and research through dedicated staff, who will make our students both technically and morally strong.

#### **Mission**

1. Our mission is to educate students through practical illustrations so that they will be competent globally in future.
2. They can be enlightened individuals improving the living standards of their families, industry and society.
3. We will provide individual attention, quality education and take care of character building.
4. We will privilege the students with industrial exposure through Study tours and Industrial Visits.
